

● ● ● | Who should get a vaccine?

You should get a flu shot if you:

- ◇ Are over 6 months of age
- ◇ Live or work in a nursing home
- ◇ Work in a healthcare setting
- ◇ Take care of elderly and/or children
- ◇ Have chronic health problems
- ◇ Are pregnant during flu season

Unfortunately, Burlington County Health Department no longer offers pneumonia vaccines. If you need a pneumonia vaccine, please contact your primary care physician.

● ● ● | FLU SHOT THURSDAYS

Clinic Schedule 2020-2021

For questions: 609-265-5533

Clinic times & General Info

Getting a flu shot is the best thing you can do to protect yourself and your loved ones from the flu this season. Clinics will be held on **Thursdays**.

Due to current COVID guidance and precautions, this season's Flu Clinics will be Drive-thru unless otherwise noted.

Adult Clinics are for individuals 13 years of age and older. *No children under 13 will be vaccinated.*

Children's Clinics are for children age 6 months to 12 years old. These clinics are **Walk-up Clinics** and will be held on October 1, October 15, October 29, November 19, December 3, December 10, December 17, January 5, 2021 and January 14, 2021.

There will be **one Walk-up Clinic** on **Thursday, September 24, 2020** that will offer vaccines to individuals 6 months and older. **(Open to both Adults AND Children.)**

Pneumonia vaccines are no longer offered. Please contact your doctor to get a pneumonia vaccine.

Vaccinations are available free of charge to residents. Donations are appreciated at \$15 for the flu shot.

Signed Consent Forms will be required and residents are encouraged to print out and bring the completed form with them to the clinics. The Adult and Children forms are available online at:
