It's a free process online, and it will give them a little more notoriety, and get their names out there. Hopefully this will get them on the map and help out the businesses.

ADMINISTRATOR'S REPORT:

Administrator Jack reported that her has been submitted to the clerk. The estimated tax bills have been mailed and are due August 1 with a grace period through August 10. The Tax Collector's Office is currently preparing the third quarter sewer bills, and they'll be mailed this week. They are due to August 1, but they have a grace period due through the end of the month. The Public Works Department has completed the residential sweeps for the summer and they will begin again during leaf season. The Township is cognizant of the work that is going on throughout the town. So, if there is a problem area about which anyone is concerned, please let us know, because we will work with the contractors to see if there's something that we need to assist with. The Township is having residents contact us about areas about which they're concerned, just in the general neighborhood. So, we always do look to send the sweeper out if we do need it. Friday morning sweeps are ongoing. The Township has completed the catch basin cleaning, and we do our inlet maintenance, along with the county as needed. The annual stormwater report was submitted, and we have not had any comments, but we do anticipate an inspection this year. The Township submitted our D O T grant on July 1, so we do await hearing as to whether or not

we've been successful again this year. New Jersey American Water has begun the final pave in the upper avenues. PSE&G will begin their final pave in the lower avenues. Next week, both New Jersey American Water and PSE&G will continue their work in the middle section, while PSE&G also continues their work in the East End. The Township will begin our roadway project on Pavilion Avenue, Little Avenue and Sylvan Street, and that will begin in the next week or two. The school is currently beginning their new building construction project.

The Regular Planning Board Meeting was held in July. The application of 209, Adams Street for a cell tower was approved, as was the application of 416, Fillmore street for a subdivision. The next meeting will be held on August 11.

The next public event will be National Night Out. It's scheduled for August 5. This is a great event that the Township, led by the police department puts on. The information will be posted on our website, and we encourage everyone to come out.

The report is on file in the Municipal Clerk's Office.
